I am very excited to announce our hire of Tim Wells! He will be joining our corporate sponsorship team as a coordinator. He will be working in outreach to bring in new clientele for our station, and will be working with television traffic, radio traffic, and digital media. He comes with three years of experience from Denver where he raised five hundred grand for the station through new partnership deals. We are excited to bring his expertise into our station.

Make sure to introduce yourself to him and make him feel welcomed!

So they went with the Denver guy. 500 grand and he still left for a lateral position??

 1

What do you think?

Elaine Nash 05/11/2020 9:07 a.m. ET

Shannon certainly loved him. The whole room was pretty charmed by him. I'm honestly shocked that any station would let him go if he done all that. I certainly wouldn't cross-country for a lateral move. He seems legit.

Charles Thompson 05/11/2020 9:12 a.m. ET

I hope he's working from home.

Elaine Nash 05/11/2020 9:15 a.m. ET

I think he's still moving here, but he'll just work from where he's living rather than the office.

Yeah, I thought that was weird. He has no promotions experience, but Dwayne gave him the thumbs up. We can certainly afford him.

Elaine Nash 06/8/2020 9:12 a.m. ET

Dwayne was not supportive. He kept trying to put technicalities in my situation with Chris. "He didn't technically talk to you." "Did he ever hit on you?"

1. Ask upper management first.

Elaine!

I have an extra ticket for Seussical next Monday! Would you like it?

Elaine Nash 6/15/2022 3:12 p.m. ET

Sure!

Wallace Michaels 6/15/2022 3:15 p.m. ET

 stop by my office anytime to pick it up!

I'm also sorry about what Tim did to you yesterday.

 1

I went to Shannon but she warned about doing anything rash due to his mental state.

He's definitely taken advantage of it

 1

Leaving work early when he pleases.

Anybody else and they would be barred from the building,

I swear it's like those two were the only people that experienced the shooting.

Elaine Nash 6/15/2022 3:18 p.m. ET

Right??? I know Shannon was outside when it happened.

I don't even know where Tim was?

Wallace Michaels 6/15/2022 3:20 p.m. ET

Per usual, he was late that day.

!! 1

I don't think he experienced any of it.

Elaine Nash 6/15/2022 3:23 p.m. ET

Side note, have you noticed the smell returning to the third floor?

😞 1

Wallace Michaels 6/15/2022 3:25 p.m. ET

Hard to ignore. I've talked to Tim about it. He always reverts back.

Elaine Nash 6/15/2022 3:26 p.m. ET

Tim???

Wallace Michaels 6/15/2022 3:28 p.m. ET

Yeah, but Shannon told me to stop pushing the issue.

mental health.

Elaine Nash 6/15/2022 3:30 p.m. ET

Tim sent me a violent pornographic link with my name.

Are you going to look into this as well?

Shannon

I saw Tim pouring something into my Tupperware container.

It smelled just like his other lunches. He hands it to me and I open it. I see this red sludge and a finger inside.

I will be contacting the police.

Shannon Anderson 6/17/2022 3:03 p.m. ET

I really don't think you need to call the police.

It can all be a misunderstanding

was it a real finger or a deformed meatball? I've heard from Wallace about how funny he can be!

This is probably just his sense of humor and I think it's time we have a mediation between the three of us.

Let me know what times can work best for you this week.

Elaine Nash 6/17/2022 3:05 p.m. ET

I'm going home. I don't feel comfortable here, and clearly nothing is going to be done about this.

My throat is starting to get scratchy, so I'm going to take a sick day. I'd tell you in person but I don't want to spread it further.

We share the sadness of our work family in the disappearance of Elaine Nash. She always brought a positive attitude to the office and stellar work in her department.

In the meantime, we will be searching for a temporary copy editor. Send me any references you might have for the position. This will be a quick turnaround.
